FRIDAY - NOVEMBER 4, 2022

*Devin Ryan and Eddie Blue are Triumphant in the \$73,800 International Welcome Stake CSI4**

Show jumping competition made its debut at the 2022 National Horse Show (NHS) Thursday, November 3rd. Welcoming some of the world's top show jumping athletes and their mounts, the CSI4* designated competition featured a star-studded lineup of 38 horse-and-rider pairs representing 11 nations, including the likes of Brazil, Belgium, Australia, Israel, and the United States. At the conclusion of the two rounds, it was Devin Ryan (USA) and Eddie Blue who secured the top spot in the spectacle class of the day, winning the \$73,800 International Welcome Stake CSI4*.

Course designer Guilherme Jorge's (BRA) 16 effort track proved troublesome for the first few pairs in the Alltech, as spectators did not see a clear round until the fifth combination in the order, Devin Ryan and LL Show Jumpers LLC's Eddie Blue. Luiz Francisco and Santa Cecilia Stables LLC's Nashville forced a jump-off nine rides later.

Many horse-and-rider combinations encountered troublesome areas on course, but commonly saw rails down at fence two at the far end of the ring, as well as in the triple combination from 5a to 5b along the outside rail going away from the in-gate. Many riders also struggled with fences 9a and 9b, heading down the center line also going away from the gate. Upon the completion of what proved to be a difficult first round, eight pairs representing six nations moved on to take on Jorge's jump-off.

The nine-effort jump off track featured the same jumps seen in round one, with the exception of jump one, which tracked in the opposite direction and modified into a vertical instead of the previous oxer. Returning to the Alltech Arena in the order they went clear in the first round, Ryan and the 13-year-old Dutch Warmblood gelding contested first, posting a double-clear ride in 41.48 seconds. "When it came down to the jump-off, I know he's not naturally the quickest horse, but he has a big stride and he is a very careful horse," explained Ryan about his mount, Eddie Blue. "So I can turn back on a fence and maybe don't have to give him as much room and know he can get it done."

Francisco and the nine-year-old Belgian Warmblood gelding blazed a faster time than Ryan, but two rails down on course kept them out of top contention. Egypt's Nayel Nassar and Evergate Stables LLC's Igor Van De Wittemoere were next to contest, also picking up eight faults on course with a time of 45.15 seconds. Following Nassar, Nick Dello Joio and The Berry Group LLC's Cornet's Cambridge posted a 45.38 second time and four faults upon completion of their round.

Ireland was the next nation to contest as Shane Sweetnam and Gizmo Partners LLC's James Kann Cruz crossed under the Longines and National Horse Show arch. The pair posted the second and only other double clear effort of the evening, with a time of 42.25 seconds – just short of Ryan's time – to claim second place honors at the conclusion of the class.

Daniel Bluman and Over The Top Stables LLC's Ladriano Z left it all in the Alltech as they navigated tight inside turns in hopes of overtaking Ryan's lead, but took fence one down in doing so, crossing the timers in 42.98 seconds with four faults to land them just outside a podium finish. Samuel Parot and his own Chrystal Blue posted eight faults on the board with a time of 46.41 seconds, while Evan Coluccio piloted Hampton Green Farm LLC's Valdes Z to the third fastest time of the class, crossing the Longines timers at 41.53 seconds with four faults, making them the fastest four fault-er and rounding out the top three awards.

Ryan feels confident going into Saturday's World Cup Qualifier, as he and his trustworthy partner, Eddie Blue have seen many winner's circles throughout their partnership. "Eddie gives you a lot of confidence as a horse because he has produced so many clear rounds" commented Ryan. "I always feel really good [going into the ring] and we will give [The World Cup Qualifying Class] a shot. He has been to The World Cup Finals [Omaha, NE] once as a nine-year-old in 2018, and he was second, so he does like indoors. He's all around a great horse, a lifetime horse."

Earlier in the evening, Mark Bluman and Gerardo Pasquel Mendez's Ester De Mauge took the top prize in the \$37,000 1.45m International Speed, Zayna Rizvi and Peacock Ridge LLC's Chaplin W bested a field of 23 in the \$5,000 Junior Jumper 1.40m, and Emma Cathering Reichow and her own Forever Alive rode to the blue in the \$5,000 Amateur Owner 1.40m.

Small and Large Junior Hunter Competition Kicks Off at 2022 National Horse Show

The nation's top Junior Hunter riders were the highlight of competition Thursday morning in the Alltech Arena, as each horse-and-rider combination navigated their way through an over fences and handy round to vie for top honors. In the end, four horse-and-rider combinations took the overall lead in their respective age group divisions, helping them secure a strong start going into day two of competition Friday. Coronation and Sterling Malnik took the lead in the Small Junior Hunter 15 & Under, before Bond and Augusta Iwasaki received top honors in the Small Junior Hunter 16-17. In Writing carried Sterling Malnik to the lead in the Large Junior Hunter 15 & Under, and Paisley Park was ridden by Lauren Little to top the Gochman Family Large Junior Hunter 16-17 division.

Starting the morning strong in the Small Junior Hunter 15 and Under, Malnik and her own 13-year-old Holsteiner gelding, Coronation, laid down two flawless hunter rounds. The duo scored a pair of 89's in the first over fences round and the handy round to take the lead in the division. In the Small Junior Hunter 16-17 division, the 10-year-old Warmblood gelding owned by Shadowfax Equestrian LLC, Bond, carried Iwasaki to scores of 88 points and 87 points to claim a blue ribbon and red ribbon to secure their leading position going into day two.

In the Large Junior Hunters, Malnik's very own In Writing, put her in the lead for the second time of the day in the 15 and Under section. The 13-year-old Holsteiner gelding topped the group of horse-and-rider combinations in the handy round and earned second place honors in the first over fences round. In the 16-17 section, sponsored by the Gochman Family, Little piloted Paisley Park to the winner's circle. The 10-year-old Dutch Warmblood owned by Little Brook LLC had the highest score of the day, 91 points in the first round, to put them in the lead heading into day two of junior hunter competition.
