## Soane and Chappy Lead

### Goshen Hill Green 3'6" Hunter And Green 3'9" Hunter Divisions

Hunter and jumper athletes from across the country have flocked to the fields of the Kentucky Horse Park for another week of competition here at the 139th National Horse Show. Kicking off this week in style, Soane and Holly Orlando lead the pack in the Goshen Hill Green Hunter 3'6" division while Chappy and Greg Crolick topped the field in the Green Hunter 3'9" division.

Course designer Bobby Murphy (USA) built a traditional hunter track around the Alltech Arena, allowing horse-and-rider combinations to flow through the long lines and showcase their classic style while jumping in top form despite their lack of experience that qualifies them for the green divisions.

Orlando piloted the 7-year-old KWPN gelding owned by James Anderson to a high score of 86 points in the first round of the 3'6" division. Tight roll back turns and a trot jump were no challenge for the pair as they remained consistent to produce a score of 85 points in the handy round, clinching fourth place to lead the pack of fifteen going into day two.

Immediately following the awarding of the blue ribbon in the 3'6" handy, the 3'9" hunters took to the Alltech to try their hand at the courses. Crolick and Carole Chase's Chappy took third place with a score of 89 points, and later won the handy round with a score of 90 – the third highest score of the day. No stranger to the winner's circle, Crolick and the 11-year-old Mecklenburg gelding are competing at the National Horse Show after much success during the Pennsylvania National Horse Show [Harrisburg, PA], most recently topping the class in the \$10,000 Pro Division 3'6", 3'9", and 4" Winner's Stake.

## Amateur-Owner Hunters Start Strong During Week Two of the NHS

Hunter riders were eager to kick off week two of competition at the 2022 National Horse Show on Tuesday, November 1st in the famed Alltech Arena. The country's top Amateur-Owner riders took center stage Tuesday evening to vie for top honors in their respective divisions.

Kentucky's very own Bobby Murphy (USA) set forth a flowing nine-obstacle course that challenged the horses to keep an open and forward pace throughout the entirety of the track. Murphy asked horse-and-rider pairs to demonstrate their traditional hunter form and cadence across the course, which was designed to focus on the traditional hunt-style with the beautiful natural jumps and long-set lines.

Starting the Amateur-Owner competition off strong, Jamie Auletto piloted her very own Idolize to the blue in the first over fences class of the Suzanne Thoben Marquard Amateur-Owner Hunter Over 35. The 9-year-old Dutch Warmblood gelding carried Auletto to a score of 86 points to lead the way in the division going into day two.

Silver Lining and Callie Seaman lead in the Hunt LTD Amateur-Owner Hunter Under 35 division going into the second day of A/O competition. Seaman took top honors in the first over fences round with a score of 88 points, the highest score of the entire Amateur-Owner division. Seaman also claimed third place on the flat aboard her own 8-year-old Westphalian gelding, Silver Lining, to secure the highest amount of points to top the competitive pack of horse-and-rider combinations.

The Mr. & Mrs. Ernest Oare Amateur-Owner Hunter 3'3" Over 35 saw Chris Brown and Newport in the highly contested winner's circle. Brown was the first to go, and held the lead through the entire class. The 9-year-old Holsteiner gelding, Newport, jumped effortlessly to a score of 86 points in the over fences round to secure the lead going into day two. The duo also claimed fourth place honors in the under saddle.

Seaside and Samantha Sommers closed out the final over fences round of the day with a score of 85 points to earn the blue ribbon in the Rencourt Foundation Amateur-Owner Hunter 3'3" 18-25 division. Sommers piloted Huckleberry Farm's 16-year-old Warmblood gelding to a picture-perfect hunter round and a fifth place on the flat to wrap up day one of hunter competition.
