## NATIONAL HORSE SHOW

OCTOBER 25 – NOVEMBER 5, 2023  
ALLTECH ARENA

**O**n behalf of the Fédération Equestre Internationale, it is my pleasure to welcome you to Lexington for another exciting qualifier of the Longines FEI Jumping World Cup™ North American League 2023/2024.

Over the next few days, we are guaranteed to experience top-level sport as athletes and horses brave courses of highest standards, set up by some of the best course designers in the world.

Twelve leagues, including the North American League, make up the highly successful and global FEI World Cup™ Jumping series which has been in existence since 1978. This year again, eight suspense-filled qualifiers, of which four count towards the overall standings, will be taking us from The USA to Canada and Mexico.

Sacramento (USA) kick-started this new season and as our journey continues, we will be heading out to destinations such as Las Vegas (USA), Toronto (CAN) and Puebla (MEX), to name a few. At each leg, athletes will be aiming for precious FEI World Cup™ points, which could qualify them for the prestigious Longines FEI Jumping World Cup™ Final in Riyadh (KSA), 16-20 April 2024.

This new season will once again be filled with fantastic sports moments, brought to us through the unique bond between horses and rider; the trust, the communication, and the patience involved. It is this bond which enables impressive feats of athleticism to be achieved and the core around which the whole FEI community revolves.

I would like to thank Longines most sincerely for their invaluable and ongoing support, which allows us to continuously set the bar for this series extremely high. I would also like to take this opportunity to thank Jennifer Burger and her National Horse Show team, for the successful running of this event.

To the volunteer body and sponsors, as well as the athletes, the enthusiastic public and the media representatives, thank you for your dedication and loyalty; this would not be possible without you! I wish the athletes the best of luck, and the fans that they have a wonderful time here in Lexington, conducted in the best spirit of great horsemanship.
