● **General**

- All riders wishing to compete in the Finals must qualify for the Regionals based on the state point requirement of their own official rider point state of residence with the USEF.
- Riders may compete in a total of fourteen (14) Maclay classes in a single qualifying period. Any rider who continues to compete after they have competed in fourteen (14) Maclay classes will no longer be eligible to compete in the Regionals or the Finals (Exception: If a rider is not yet qualified for the Regionals of their official rider point state of residence with the USEF after fourteen (14) Maclay classes, that rider may continue to compete until qualified. Any rider that has already competed in their fourteen (14) Maclay classes must stop competing in Maclay classes as soon as they are qualified, or they will no longer be eligible to compete in any Regionals or the Finals.).

- ***It is the rider's responsibility to calculate and know their points as well as the number of classes in which they have competed.***
- The qualifying period for each year's Regionals ends August 31. If a horse show starts on or before August 31, Maclay points acquired at that show will count towards the current year.

● Qualifying for Finals

- At the end of the qualifying period the top fifty (50) riders, based on points, will be automatically qualified to compete in the Finals.
 - Only the points from each rider's first fourteen (14) shows in a single qualifying period to count towards qualifying using this system.
 - In the event there are riders tied for the fiftieth (50th) position at the end of the qualifying period, all riders involved in the tie will be qualified to compete in the Finals.
- Those riders not in the top fifty (50) based on points at the end of the qualifying period will have the opportunity to qualify for the Finals through the Regionals.
 - One hundred and twenty five (125) riders will be invited to compete in the Finals from the Regionals. The percentage of Finalists invited to compete in the Finals from each Region will be determined by dividing the one hundred and twenty five (125) riders invited to compete in the Finals by the number of riders that compete in all the Regionals. The office of the NHSAA will calculate this percentage and the numbers of riders to be invited to show in the Finals from each Region. These numbers will be published no later than 48 hours after the last Regionals is completed. The riders finishing in the top positions at each Regionals will be invited to compete at the Finals. A rider must complete the course at a Regionals to be eligible to compete at the Finals.
 - Those riders who are in the top fifty (50) based on points at the end of the qualifying period may compete in any Regional competition. These riders will be eligible for awards, but will not be factored into the percentage of riders that comprise the one hundred and twenty five (125) riders qualifying through the Regional System.
 - If a rider invited from a Regionals to compete in the Finals declines to compete in the Finals the rider with the next highest placing from the same Regionals will receive an invitation to compete in the Finals. This invitation to compete in the Finals will continue to be extended to the next highest placing rider from the same Regionals until the invitation is accepted and the spot filled. However, after the first qualified rider declines to compete in the finals, there shall only be one invitation provided for every ten competitors from any given Regionals. Example: If Region Q has 38 riders competing, then the invitation to compete at the Finals shall be provided to all those determined by the percentage formula. If any one of them declines, there shall be no more than two additional invitations provided to fill the spot which has been declined. Subsequent to one invitation being provided for every ten riders in the region, the invitation shall then go to the next rider from the Region which has the highest percentage of competitors. The final closing for entries will be 5 p.m. Eastern Standard Time on the first Friday of October, at the office of the NHSSA, under such conditions as are specified in the prize list. The standby list for accepting riders who are qualified for the Finals will close on the Sunday of the WIHS which is the Sunday before the Finals.
- Provided they have qualified for and competed in a Regionals, riders who have not previously qualified for the Finals may qualify to compete at the Finals if they place in the top twelve at the USEF Medal Finals, Pennsylvania National Horse Show; the top ten at the WIHS Equitation Classic, Washington International Horse Show and any junior riders placing in the top ten at the USEF Talent Search Medal Finals West and USEF Talent Search Medal Finals East.
