Letter FROM THE CHAIRMAN

Dear National Horse Show Friends and Supporters,

Our staff and Board of Directors have been diligently working behind the scenes to ensure another memorable year of top-level competition at the 142nd edition of the National Horse Show.

Each fall, the National Horse Show brings together the country's leading riders, horses, and trainers to the Alltech Arena at the Kentucky Horse Park in Lexington, Kentucky. This event would not be possible without the unwavering support of our Board, dedicated staff, generous sponsors, and the many riders, trainers, owners, and grooms who continue to make the NHS a highlight of the equestrian calendar.

We are excited to welcome you back for another unforgettable year.

Sincerely,
William H. Weeks

All horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the grounds and the date of vaccination must be noted on the Certificate of Veterinary Inspection or documented by means noted in USEF GR845. Any horse with a temperature reading higher than 101.5 or any signs of respiratory or neurological disease must be immediately reported to a veterinarian and show management.

To facilitate the inspection process by Kentucky Department of Agriculture personnel, this paperwork must accompany the horses upon arrival and be available throughout their stay. This will be a condition of entry to the Kentucky Horse Park. Horses arriving without proper paperwork will not be permitted onto the grounds.

EQUITATION CHAMPIONSHIPS AND FINALS

Competition and Schooling Protocol

In an effort to promote a level playing field for all competitors, trainers, and their equine partners at the ASPCA Maclay Finals, the Hamel NHS 3'3" Equitation Championship and the Taylor Harris Insurance Services NHS Adult Equitation Championships (Equitation Finals) the National Horse Show will implement a schooling protocol.

The schooling protocol described below will be in effect for all Equitation Finals in 2024:

1. All horses competing in the ASPCA Maclay Final must be on the competition grounds no later than twelve (12) hours prior to the start of the warm up class and remain on the competition grounds until they have completed every phase of the event for which they are qualified to compete. All horses competing in the Hamel NHS 3'3" Equitation Championship and the Taylor Harris Insurance Services NHS Adult Equitation Championships must be on the competition grounds no later than twenty four (24) hours prior to the start of the class and remain on the competition grounds until they have completed every phase of the event for which they are qualified to compete. Any horse being used in the Equitation Finals, or that may potentially be used, must be entered and will be assigned a number which must be displayed at all times whenever outside of their stall, mounted or unmounted. Only horses that have been assigned numbers and are on the competition grounds twelve hours prior to the start of warmup class will be eligible to be used as a replacement.
2. The USEF Steward(s) and/or USEF Schooling Supervisor(s) shall monitor all training and warmup areas to ensure equine welfare, soundness, competitor safety and to prevent overcrowding. In the event of any observed unsoundness, the Competition Veterinarian must be called immediately to make a determination whether the horse is serviceably sound. If the horse is determined to be unsound during a schooling session, it must stop working and may be re-presented prior to the competition. If the horse is determined to be not serviceably sound prior to or during the competition, the Competition Veterinarian may eliminate the horse from the competition.
3. Any rider, trainer, or groom found to be training a horse in an excessive manner, in the opinion of a USEF designated schooling supervisor(s) or USEF Steward(s) assigned to the class, may result in elimination of the horse and rider from the class. The trainer may be subject to further review for the violation by the USEF Hearing Committee. All incidents of excessive training or questions that are not addressed will be referred to a committee comprised of the USEF Staff representative(s), the USEF designated schooling supervisor or the USEF Steward(s) assigned to the class, and a representative of competition management. The USEF official who renders the opinion to the Committee will not participate in the Committee's decision which will be final.
4. Equitation Schooling Area:
 - Official schooling area will be set one hour before the start of the competition.
 - Schooling fences will be set as a straight line of oxers across the middle of the official schooling area
 - Each jump will have at least four standards, four rails and four cups.
 - Each jump must be flagged.
 - Each jump may be set as an oxer.
 - Each jump may be set as a vertical.
 - Each jump may be set as a combination-Bounce, One Stride or Two Strides. (Exception: In the small indoor schooling area adjacent to the Alltech Arena only a Bounce or One Stride combination may be set)
 - Tarps (vinyl panels) and coolers are to be allowed. These may be used on the jump, under the jump or on the ground in front of or behind the jump. If they are used on the ground in front of or behind the jump they must be set on the ground a minimum of 9 feet and a maximum of 21 feet from the jump in either direction. They may not be set in such a way that they interfere with either the approach or landing of another jump. (Exception: In the small indoor schooling area adjacent to the Alltech Arena tarps and coolers may be used only on the jump or directly underneath the jump)
 - Straight lines may not be set.
 - bending lines may not be set.

Class 200
\$75,000 NATIONAL HORSE SHOW HUNTER CLASSIC

No Entry Fee.

Formal attire is required.

This class will be conducted under USEF General Rules and drug testing procedures. Horse-and rider combinations will compete at the respective height of the section from which they qualified.

The class consists of two rounds. Both of which will be judged by two judging panels consisting of two judges each. The open numerical scoring system will be utilized with each panel's score announced and then averaged to determine a final average numerical score for each horse. The top twelve (12) horses will be called back for a second round from low to high score within their respective heights. The height section including the horse with the highest first round average score shall return last. The second round should include elements that allow horse and rider to demonstrate brilliance, rideability and handiness, no trot fences will be permitted. Each round of the Classic is to count 50%. The final average score from Round One will be added to the final average score from Round Two to determine the overall total final score.

In case of a tie in either the first or second round: Panel One's score is the tie-breaker. In case of a tie in the overall standings: Panel One's second round score is the tie-breaker.

QUALIFYING

Invitations will be extended to the 1st through 6th place ribbon winning horse and rider combinations in over fence classes from each of the professional hunter divisions, models and under saddles not to count. A horse must be ridden by the same rider throughout the entire hunter section (exception: under saddle classes) to be eligible to compete in the Hunter Classic. Horses must jump the fence heights applicable to the section from which that horse and rider combination qualify. Qualifying is based on the horse-and-rider combination; no horse or rider substitutions allowed. Riders may qualify a maximum of two (2) horses.

When qualifying from more than one section, the qualifying horse and-rider combination will compete in the Hunter Classic from the section from which they have the highest number of points on the championship chart. In the case of an equal amount of points in more than one (1) section, the horse-and-rider combination will compete in the Hunter Classic from the section from which they first qualified.

The Hunter Classic will count for HOTY points and money won where applicable, in the section from which the horse qualified and must correspond to the height jumped in the Hunter Classic. HOTY points and money won will only be awarded towards a declared Hunter section for HOTY points if the horse competes in the declared section a minimum of five (5) times during the competition year. The two-round stand- alone Hunter Classic point scale will be utilized when awarding National HOTY bonus points. See HU146.9(b).

Declarations to show in the Hunter Classic qualifying from one of the following hunter sections: Green 3'6", Green 3'9", Green Conformation, High Performance Conformation, High Performance Hunter must be made in the horse show office on Wednesday, October 29, 2025 within 1 hour of the conclusion of each rider's last eligible section.

HELPING THE WORLD'S MOST **VULNERABLE** EQUINES

There are 100 million working horses, donkeys and mules helping 600 million people in the developing world earn a living, put food on their tables and send their children to school.

Many of these animals are in pain, living under deplorable conditions. They are suffering from lack of food and water, easily preventable injuries and diseases, as well as hard living conditions.

BROOKE USA BELIEVES THAT THEIR SUFFERING IS PREVENTABLE.

Equine owners want to know how to care for their animals. **Brooke USA** funds programs to help owners and caregivers improve animal welfare by teaching first aid and showing people how to compassionately handle their animals. **Brooke USA** also funds programs that train and mentor farriers and vets.

YOUR DONATION MEANS MORE THAN EVER BEFORE.

YOU CAN HELP **END THE SUFFERING** OF
WORKING HORSES, DONKEYS AND MULES.
