Judging

Riders will be judged on seat, hands, guidance, and control of the horse. Judging will be equally weighted between the jumping rounds and the flat phase. Following completion of the jumping phase, the judges will select the riders with the best overall jumping rounds to advance to the flat phase. Any rider who has a refusal, loss of stirrup iron, or breaking of stride on course will be ineligible to qualify for the flat phase.

Tack Changes—Changing of tack, including bit and/or bridle, between phases is permissible.

Following the Flat Phase—Following completion of the flat phase, all tack and equipment used during the preliminary over-fences round may be replaced on the horse prior to any testing, if applicable. Horse Show Management must allow sufficient time for any rider requiring a tack change to do so before testing begins.

Only riders who have completed the course and competed in the flat phase may receive ribbons or points. USEF Tests 1-23.

Judging

To be judged on seat, hands, guidance, and control of the horse. Judging will be equally weighted between the jumping rounds and the flat phase.

First Round

To be shown over a special course of jumps set to the above stated specifications and posted one hour before the start of the class. The course for the Finals shall be designed by a USEF Course Designer who must be selected and/or approved by the NHSSA. The Judges for the Finals will have input and give approval on the course design.

Flat Phase

A minimum of twenty-four (24) riders, if available, are required to show at a walk, trot, and canter. At the sole discretion of the judges, additional flat work may be called for, but all groups must be asked to perform the same tests. No more than twenty (20) riders at a time may be asked to work together. Changing of bit/bridle between phases is permissible. Following a flat, all tack/equipment that was used in the preliminary over fences round prior to testing may be put back in place.

Second Round

All riders who competed in the Flat Phase will be asked to return for a final round over a second course following the above listed specifications. The second-round course may include tests.

Testing

Testing of up to six riders is optional using USEF Tests 1-23.
